

Best Practice

Title of the Practice: **Sports - Believe It Achieve It**

Objectives of the Practice:

1. To identify talented students throughout the state of Bihar and provide them with admission in the college.
2. To provide them with a congenial Annual Quality Assurance Report of SATYENDRA NARIAN SINHA COLLEGE atmosphere in the hostel so as to enable them to concentrate on their sports training.
3. To hone the skills of the sports students through excellent coaches.
4. To mould and perfect the talents of the selected sports students so as to make them globally competent.
5. Providing the selected sports students with training in additional life skills for the all-round development of the individual.
6. To secure optimum employment for these students through achievements in field and track events.

The Context: The college is in a rural locality and it is very difficult for the students to develop their sports skills. The mission of the college is to empower students both academically and physically and the institution strives to keep this up. The college has played a great role in producing many sportsmen at various levels. The unique feature of the hostel is that it is situated inside the campus facilitating easy access to the sports ground and the academic blocks. As a result of excellent performance in sports, the students have been suitably placed at various Central Government and State Government offices , PSUs etc.

The Practice: The Institution follows a systematic process in grooming students with sports skills.

They are:

- Identifying sports personnel
- Providing proper training.
- Segregation of students as per their potential.
- Providing hostel facilities.
- Honing their skills through rigorous coaching.
- Making them job competent by providing them with job-oriented training and lifeskill training. Such a system is rigorously followed which is in line with the mission and Vision of the College.

Evidence of Success: Many students who have brought laurels to the nation and the state in particular are the testimony to the success of this initiative.
